This beanie is based on the “Mystery Beanie” I designed but this version has been modified for sport weight alpaca from Alpagas des Hauts Vents www.alpagasdeshautsvents.com

To make this beanie you will need at least 3 colors of sport weight alpaca yarn (or a yarn of your choice) I used the following:

- 50 grams (approx. 2 ounces) of chocolate brown as main color (MC)
- small amount of dark brown (CC1)
- small amount of light brown (CC2)

I used a 4 mm hook (US size G or 6; English size 8) but if you are using 100% Alpaca please keep in mind that it has very little memory and does not like to be worked too tightly...if your tension is tight adjust your hook size accordingly.

Each round is worked in same direction, do not turn unless otherwise indicated.

- To begin, chain 6 stitches with **MC** and join with slip stitch to form circle.
- Chain 2 (counts as 1 DC) Make 11 DC and join with slip stitch in top of first chain 2 stitch. (12 DC)

Do not cut MC yarn.

- Change to **CC1** and make 2 SC in each stitch around. (24 SC)
- Pick up **MC** and chain 2 (counts as 1 DC), make 2 DC in next stitch. Then ****1 DC in next stitch and 2 DC in following stitch**** repeat pattern between **** **** around and join with slip stitch in top of first chain 2 stitch. (36 DC)

Do not cut MC yarn.

- Change to **CC1** and make 1 SC in each stitch around. (36 SC)
- Pick up **MC** and chain 2 (counts as 1 DC), Make 1 DC in next stitch, make 2 DC in next stitch. Then ****1 DC in each of next 2 stitches and 2 DC in following stitch**** repeat pattern between **** **** around and join with slip stitch in top of first chain 2 stitch. (48 DC)
